

World Bazaar

The Capi Europe planters are sustainably produced from clay, plastic, fibre and are 100 per cent recyclable. Inspired by the rippled sand on the beach, the broad lines on the vase represent rhythmic waves and create a sense of peace.
₹ 6,500 onward

Beyond&More

The Mist planter from Spanish brand Point showcases woven fiber on a metal structure. It is also available in a lamp format which comes with in-built LED lights.
