

Better Interiors July

Spacio

Sea Grass woven baskets (available in varied sizes) and trays from Dome Deco come in natural tones, making each product a unique one.
₹ 19,999

In Living

The Lithium wall divider has been crafted from leftover pieces of mango and sheesham wood. The artwork on the divider is set against strips of wood in a combination of finishes.
₹ 19,999

Jaipur Rugs

Handtufted in wool and viscose, the Ciyano rug in denim blue is inspired by simple geometric patterns crafted in a playful and contemporary style.
₹ 35,000

Fanusta

These handmade paper frames are made from recycled waste paper and fabrics. They showcase Rajasthan miniature paintings which are intricately crafted on ivory sheets.
₹ 500 onward

Iota

Nuts, bolts, screws, washers, lug nuts, nails and other pieces of metal have been repurposed and used to create this ultra-modern industrial sculpture of a giraffe.
₹ 94,850

Curniture

The one-of-a-kind Mercedes Sofa has been created from the back of a genuine Mercedes and mounted on its own pistons. The original headrest has been retained and the upholstery is in a premium leather finish.
₹ 1,85,000

The Rétyrement Plan

Having been made from woven ropes of textile scrap, these vibrant cane pouffes are a fine example of the perks of upcycling.
₹ 6,000 onward

Shades of India

This gorgeous turquoise chandelier has been crafted from leftover wooden balls and covered in scrap fabric to make a striking eco-friendly statement.
₹ 80,000

Eco Elegance

Earth-friendly home decor soothes not only the eyes, but also the soul. Take inspiration from our carefully curated spread of furniture, furnishings, and accessories made from eco-friendly or upcycled materials and take a step towards living a green life in tandem with the environment around you.
