## Glossy Surfaces

Somany Ceramics has launched Glosstra Plus – India's glossiest wall tiles. Created using "Ultra Gloss Technology" with fabric texture, undulated surfaces and stone finishes Glosstra Plus wall tiles are an amalgamation of technological expertise and luxury. This new range offers the consumers a wide range of designs such as floral fusion, brocades, chevron, checks, basket weave, gingham, Chinoiserie and Moroccan lattice, cast metal damask & harlequin designs patterns, intricately carved on tiles. The newly launched tiles are available in the sizes of 300 mm x 600 mm.

**Price: ₹48-60/- per sq.ft.**

## Super Slider

Window Magic has launched an exquisite collection of sliding doors and windows. With enhanced features including simplicity, architectural enrichment, and easy to use, these sliding windows and doors are sound and weather barriers. A gentle horizontal push opens up the view to the outer world. These are apt for modern structures as they do not cover much space and allow maximize natural light. The windows are also excellent choices for much more restricted spaces like interior partitions and cubicles.

**Price: On Request**

## Colour Charisma

The TULIPS by textile designer Raajkumarri Mutha, brings to you its 2018 collection which features cushion covers where artistic details are piled onto sumptuous and vibrant fabric.

**Price: On Request**

## Striking Design

InLiving brings to you the Rudra console table which stands out for its striking appearance. Meticulously crafted in mango wood it features an interesting pattern from top to bottom and the dual colour shades of the table makes it look more appeal.

**Price: ₹36,999/-**

## #TRENDING

### Ceramic Glow

The Whiteteak Company has recently introduced Ceramic Table Lamp Collection which features perforation poetry table lamp. The lamp with its ceramic base has been done in a gorgeous ivory shade that is further enhanced with a slight sheen. The pattern detailing and the subtly textured beige lampshade add to the lamp's uniqueness. An added benefit includes the ceramic material, as it ensures sturdiness and durability.

**Price: ₹22,400/-**

### Multi-Utility Shower

GROHE introduces the Smart Control Shower which combines multiple breakthrough technologies in one shower system. It matches the intuitive interface of push button and volume control technology with the precise control of GROHE's best-in-class thermostat along with shower head. The Push Button & Volume Control with an intuitive set of press buttons to turn on the shower and an integrated volume knob makes it shower of future. The chamfered edges, the precise bold lines and modern European design ethos makes this Shower System look contemporary.

**Price: On Request**

### White Perfection

Spacia tiles manufactured by Antica Ceramica brings to you Spacia white colour vitrified tiles collection. These tiles are a good alternative to marble and granite flooring. Available in 60x60 cm, 60x120, 20x120 in variation of 15 shades and innumerable design options these surfaces oozes sophistication and simplicity. These tiles come with the pristine base that has a high gloss -mirror like shine which lets them remain cool.

**Price: On Request**

### Old World Charm

Adorn your dresser with this small wooden two drawer cabinet from Fanusta's Kishangarh lore collection and celebrate the artistic expression of local artists. Exquisitely hand painted by Kishangarh Shaili artists in a small town of Rajasthan, this miniature cabinet, Kolam, is a step towards reviving the forgotten arts of India. It is perfect to store your everyday knick-knacks, jewels or even just spare change.

**Price: ₹1,200/-**

### Wrapped in fur

Wisma Atria Interiors has introduced Faux-Fur-furniture designed by Fratelli Boffi from Italy. The ottoman from this collection has been designed in unusual shape and is covered with faux fur. The provocative and playful use of the materials subtly recalls the design experimentations from the 60s.

Price: On Request

### The Outdoor Beauty

IDUS brings to you its contemporary outdoor collection which features Peacock chair. Beautiful in iridescent green and blue, Peacock is a modern take on the traditional wicker chair. Like the regal bird, this lounge chair too flaunts its imperial look with its elegant design.

Price: On Request

### Functional Faucet

Corsa Bath has recently launched Nexa Italian range of Faucets. The Nexa range of faucets is suitable for all bathrooms as it has a stainless steel finish which is durable and easy to maintain. This range introduces a new and unique design element of adjustable-flow-rate restrictors keeping in mind water conservation. The new technology helps conserve water, and delivers no more than 2.5 gallons per minute.

Price: On Request

### Chic Design

IOTA Boutique Furniture brings to you Loft Coffee table by European furniture label Mois. The top of the table consists of walnut veneer and anthracite grey on the drawers at extreme ends whereas the base has been done in casting steel in matte finish.

Price: On Request

### Classy Curves

Wisma Atria Interiors by Nomita Kohli has launched Fratelli Boffi collection which features Upholstered Plump. Anthropomorphic and rounded forms bring out the unique design of the seating which comes with low feet, hand carved in solid walnut. The seat unit comes with soft padding which has been upholstered in cotton velvet.

Price: On Request

### The Mirror Effect

Droplet Mirror by Rainforest Italy has been intricately designed to let you savour the joy of nature-inspired aesthetics. Simple and Classy look makes it versatile and can be used in any indoor area. This wall mirror is finished with bevelled edges and high grade Commercial Ply board / MDF base in Wenge Polish with glass which gives it a regal look.

**Price: ₹24,052/-**

### High on Storage

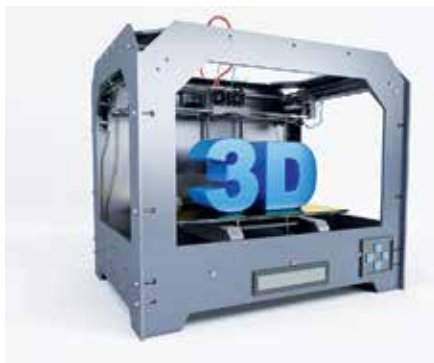

The grand multi-functional “Manhattan Big Bar Cabinet” by IDUS is an interesting wine and liquor storage option which comes in as a statement piece with steel and leather combination. With an artistically done structure that is exactly like the incarnation of the chest whereas its brass edges and tapering with leather upholstery lends a colonial look to it. Available in colour options of blue and brown, this bar cabinet has sufficient storage space and additional sections like shelves and columns to hold the bottles and other bar quintessential in the coolest manner.

**Price: On Request**

### Carved in detail

Anemos presents ‘Seats from the bygone era’ which features fine filigree carved chair crafted in rich rosewood. Bring home this rare and unique furniture piece which will add a vintage appeal to your decor.

**Price: ₹1, 25,000/-**

**Price on Request**

### Elegance with Comfort

LetsFurniture presents Cher, a modern, high-back accent chair that’s oh-so-comfortable! Elegant contours covered in attractive houndstooth fabric, resting on sleek powder-coated metal legs, Cher is available in the traditional black and white and an interesting brown and beige.

**Price: ₹44,000/-**

# functional & elegant workspace

Leading modular furniture brand, Euro Workstation has recently launched a new range of functional and modern office furniture. Here's a quick look at their new launches:

## Inspiration Series

Inspiration Series as the name signifies will continue to inspire end user in the days ahead. This new collection has been designed keeping in the mind the space constraints and long office hours. The Inspirational series is extremely sleek as well as comfortable. The legs are made of stained solid wood which are elegantly designed to give rich look to the furniture whereas the top is made of white Corian adding uniqueness to the work station.

The desk based system is equipped with Aluminum raceway capsule for managing the wires. The under structure frame is made of MS PIPE duly powder coated to give stability to the structure. The dividers are made of frosted acrylic back painted with magnetic characteristic. Aluminum profile duly powder coated is added in the trims to add support to the panel at the same time it also helps in managing the accessories for the work station. The panel is attached to the work station with specially designed clamps.

## Metal Designer Pedestals

Ready to use pedestals are made of CRCA duly powder coated in elegant, funky colours to add liveliness to the work space. The pedestals are fitted with levelers for stability. The drawers are fitted with telescopic channels for trouble free usage. Centralized locking system is being provided for secure storage. Stationery tray is provided in the drawer to organize all stationery of daily usage. File organizer is also given to have proper filing of documents.

## Modular Full Height Partition

The full height partitioning system has been introduced in the Indian market in two variants: 85 mm Designer Series and 77 mm Economy Series. The partitioning system is made of Aluminum and can be reconfigured. The grids can be both horizontal and vertical based on the design. The partition panels can be all glass, partial glass, all solid, fabric and acrylic etc. The trims are powder coated or anodized based on the requirement. The designer 85 mm series has the square / bull nose profile for glass option. Economy series 77 mm system will only have bull nose profile. The trim will be push fit for speedy installation. Specially designed levelers can be provided to take care of undulation of floor. Raceway and voids are provided to take care of electrical and data cable.
